

PN176A INSTALLATION INSTRUCTIONS

© Panduit Corp. 2003

Printed in U.S.A.

As with all Wiring Accessories, the following statements apply:

- 1) Never install communications wiring during a lightning storm.
- 2) Never install communications wiring in wet locations unless the module is specifically designed for use in wet locations.
- 3) Never touch uninsulated communications wiring or terminals unless the communication line has been disconnected at the network interface.
- 4) Use caution when installing or modifying communication wiring.
